

Global Grace Health & Grace Cancer Foundation, donate 25 Oxygen Concentrators and 25,000 Masks to the Hon'ble CM Shri Y.S. Jagan Mohan Reddy

(L-R) Dr Salima, Health Specialist, UNICEF; Mr Amjad Pasha, Hon'ble Deputy CM; Dr P Gowtham Reddy, Chairman, APSFL; Dr Joshua Daniel, Director, Grace Cancer Foundation & YSR Global Foundation; Dr Chinnababu Sunkavalli, CEO, Grace Cancer Foundation; Mr Prosum Sen, PR Head, UNICEF; Mr Praveen Ummadi, Program Collaborator, Grace Cancer Foundation; presenting 25 Oxygen Concentrators & 25,000 N95 masks, to Shri YS Jagan Mohan Reddy, Hon'ble Chief Minister of Andhra Pradesh; on behalf of Global Grace Health, USA & Grace Cancer Foundation, Hyderabad, today at CM Camp Office, Vijayawada.

Vijayawada: Global Grace Health (GGH), USA, along with Grace Cancer Foundation (GCF), Hyderabad, have embarked on the noble 'Mission O2 and Beyond' to mitigate the immense suffering of the poor and downtrodden the unprecedented surge in Covid 19, has brought in the state of Andhra Pradesh. As part of the initiative, Grace Cancer Foundation has donated 25 Oxygen Concentrators and 25,000 N95 masks to the Government Hospitals in Andhra Pradesh. The donation was handed over to the Hon'ble Chief Minister of Andhra Pradesh Shri Y.S. Jagan Mohan Reddy by Dr. Chinnababu Sunkavalli, CEO, Grace Cancer Foundation, Dr. Joseph Paturi, President, Global Grace Health, USA; Dr. Joshua Daniel, Director, Grace Cancer Foundation & YSR Global Foundation, Dr. P. Gowtham Reddy, Chairman, APSFL; Dr Salima, Health Specialist, UNICEF; and Mr. Praveen Ummadi, Program Collaborator, Grace Cancer Foundation; Mr Amjad Pasha, Deputy CM; Mr Prosum Sen, PR Head, UNICEF; at the Chief Ministers Camp Office at Vijayawada, today. Mr. Joshua Daniel facilitated, Government of Andhra Pradesh to secure 240 O2 Concentrators as a donation from UNICEF.

These Oxygen Concentrators and Masks bridge the immediate shortage of medical essentials in the state and will be installed in Government Hospitals across the state.

"We at Grace Cancer Foundation, India and Global Grace Health, USA; were deeply perturbed with the misery brought about by the second wave of Covid 19. The impact was so intense that there was virtually no family which wasn't affected. The massive shortage of drugs and medical equipment to meet the sudden surge moved us to act and provide the much-needed solace. We pooled our resources in India and abroad, including approaching International Aid Agencies. Our efforts bore fruit and are contributing our bit to lessen the sufferings of the populace," says **Dr. Chinnababu Sunkavalli**.
